

Looking for a great idea for a field trip?

YMCA Children's Discovery Centre of Niagara

Horizon Utilities Corporation is proud to present our new interactive powerWISE® Home. This interactive model, geared to children in Grades one through six, uses a unique approach to presenting nine energy and water conservation themes including Lighting, Heating, Appliances, Water and Air Conditioning. Watch appliances and household items come to life as they provide children with over 50 energy conservation tips!

Students will learn how they can contribute to energy conservation by reducing water and electricity use in their own homes.

The YMCA Children's Discovery Centre of Niagara features a variety of interactive, hands-on exhibits on electricity, conservation, dinosaurs, the human body, etc.

YMCA Discovery Centre, 360 Niagara Street, St. Catharines, Ontario

EcoHouse Tours

EcoHouse is Green Venture's sustainable living showcase that serves to demonstrate environmental technologies from the past, present and future. At EcoHouse, healthy living principles are upheld and demonstrated to encourage, inspire and support people in their efforts to reduce their impact on the environment by adopting sustainable living practices. Guided educational tours are available upon request.
