Horizon Utilities sponsors clean tech luncheon

(ST. CATHARINES, ON) December 7, 2011 – Horizon Utilities is proud to sponsor a luncheon hosted by the St. Catharines-Thorold Chamber of Commerce's that is focused on attracting clean technology investments to the region.

"The world is moving ever more rapidly toward an expanding clean tech economy. Horizon is continuing to grow its role in assisting in this transformation in Niagara and Hamilton as clean tech is increasingly powering future economies," said Max Cananzi, President and CEO, Horizon Utilities.

The keynote address will be delivered by noted clean tech entrepreneur Tom Rand. Rand is also a leading thinker, advocate and author in the clean technology field. In his recent book he lays out a blueprint for attracting and keeping clean technology entrepreneurs and their investments.

Horizon Utilities, with its well-established and proven track record of enhancing local economic development through low rates, delivery of energy solutions and excellent service, is committed to helping its communities attract clean technology investments.

The luncheon will be held on December 9 at the White Oaks Conference Resort & Spa, beginning at 11:30 a.m.

About Horizon Utilities

Horizon Utilities Corporation, named 2010 Sustainability Company of the Year by the Canadian Electricity Association, is one of the largest municipally owned electricity distribution companies in Ontario. The company provides electricity and related utility services to 237,000 residential and commercial customers in Hamilton and St. Catharines.
